

## **His Goodness**

Karm Debattista mssp - (Psalm 115)

How can I repay the Lord  
for his goodness to me?

I trusted, even when I said  
I am sorely afflicted  
and when I said in my alarm;  
no man can be trusted

My vows to the Lord I will fulfill  
before all his people  
in the courts of the house of the Lord  
in your midst, O Jerusalem

For his goodness, his goodness to me

Your servant, Lord, am I  
you have loosened my bonds  
a thanksgiving sacrifice I make  
I will call on the Lord's name

## **Dance into Joy**

Lyrics: Pierre Bonnici mssp

Music: Karm Debattista mssp

Then you looked my way  
In the corner where I hid  
Into my empty soul  
And your voice drew me back to the dance  
The music of your gentle call

Holy Spirit transforming my heart  
And setting it blazing with fire from above  
My mourning you change into song  
My darkness you light with your love

And I will dance for you  
I will dance for you  
Dancing away my pain  
And I will dance with you  
Dance with you  
Dance into joy again

So like Moses and Miriam on the shores of the sea  
Like Jesus at Cana in Galilee  
Like David exalting in God worry free  
I will dance to the Spirit in me

## **In Christ Alone**

Lyrics: Pierre Bonnici mssp  
Music: Karm Debattista mssp

Sing – in Christ alone I take my stand  
He is my rock he is my strength  
His faithful mercy has no end  
In Christ alone I stand

Sing – in Christ alone I find my gain  
All else I count as loss and vain  
In him I stay, in him remain  
In Christ alone my gain

In Christ alone, my source of hope  
In Christ alone, I put my trust  
In Christ alone – the fount of love  
My risen lord, my light and life

Glory – forever and always  
Glory – to Christ all the praise

In Christ alone, my source of hope  
In Christ alone, I put my trust  
In Christ alone – the fount of love  
My risen lord, my light and life

## **Ephesian Canticle**

Lyrics: Pierre Bonnici mssp (Eph. 1, 1-12)  
Music: Karm Debattista mssp

Jesus – in whom we have all blessings  
Jesus – in him we have been chosen  
Jesus – in whom we've been made holy  
Blameless – adopted as God's children

Hallelujah! Praise to our Creator  
Hallelujah – to our Lord and Saviour  
Hallelujah – Holy Sanctifier  
Hallelujah – raise him ever higher

Jesus – in whom we've been redeemed  
Jesus – whose blood has set us free  
Jesus – revealer of God's will  
One head – gathering all in him

Hallelujah

## **Pentecost**

Lyrics: Pierre Bonnici mssp  
Music: Karm Debattista mssp

God knows, we know  
We are no heroes  
God knows we are  
No pillars of strength  
Just ordinary people  
With ordinary lives  
Caught up in a story  
Greater than us

So what is this force  
That's shaken us out  
From our upper room of fear?  
So what sparked this fire  
That urges us on to proclaim?  
One heart and one mind  
One tongue for a story  
Greater than us

And we understand now  
This is the Spirit  
The promised gift from above  
A flaming tongue  
A peaceful dove  
And in our hearts  
A roaring torrent of love  
In our hearts  
A torrent of love

Come, Spirit of God  
Come, Spirit of God  
Come, Power of God  
Come, Power of God  
You urge us on to proclaim  
One heart and one mind  
One tongue for a story  
Greater than us

## **Maranatha**

Lyrics: Pierre Bonnici mssp  
Music: Karm Debattista mssp

Fill my heart, O Lord  
Make it as your own  
Bound to you alone – to none other

Be my resting place  
Cease my wandering ways  
Faithful true like you forever, my Lord, my God

From heaven's throne you came

Freed me from my shame  
Hear my song of praise Redeemer Lord, my God

Fill my heart, O Lord  
Make it as your own  
Bound to you alone – to none other

Grace like morning dew  
Washes, makes me new  
Every breath my grateful thanks my Lord, my God

Maranatha – Jesus my Lord  
Maranatha – Son of God  
Maranatha – Come, my Lord  
Maranatha – Come, Son of God

### **Incense**

Lyrics: Pierre Bonnici mssp  
Music: Karm Debattista mssp

All creation's story  
Is a hymn of glory  
Here I am to join in harmony

Every creature's praising,  
Grateful chorus raising  
Here I am to join in harmony

Every tongue and nation  
Sings in adoration:  
Glory to the Lamb enthroned above  
Prayer's fragrant incense  
In your holy presence  
Let it rise my melody of love

I love you, Lord  
I worship, you  
I thank you, Lord  
I adore

### **I will live (Lazarus Vigil)**

Lyrics: Pierre Bonnici mssp  
Music: Karm Debattista mssp

In silence, dear Friend  
I wait for night to end  
This stronghold of death  
Cannot withstand your breath

I can feel you drawing near, I know  
Your Word makes my heart to glow  
Healing radiance – your presence  
Touch me and I will live

Jesus, my friend  
Jesus, my life  
Jesus, my all

Jesus, my friend  
Jesus, my life  
Jesus, my all – my Saviour

### **Let me be like You**

Lyrics: Pierre Bonnici mssp  
Music: Karm Debattista mssp

Let me be like you  
Caring, gentle, always true  
Let me be like you  
Ever-loving, ever pure

Release me and make me holy  
As holy you are  
Create in me your likeness  
Set me on fire

My one desire  
Set me on fire

My wayward heart's a traitor  
Cheating on itself  
Make it true, Creator  
Like yourself

Make me true, Creator  
Like yourself

### **In Your Dwelling Place**

Lyrics: Karm Debattista mssp/Rahul Sima – Psalm 27  
Music: Karm Debattista mssp

You're my light whom shall I fear?  
I am saved for you are near  
You're the stronghold of my life, I'm not afraid  
For one thing is what I seek,  
Close to you is where I'll be  
All my days in your dwelling place, O Lord

He'll keep me safe with Him when days of trouble come  
Held in the shelter of His wings  
My head He will exalt, my enemies He'll shame  
To Him I'll sacrifice with praise

Lord, hear me as I plead, be merciful to me  
I know for sure your face I seek  
Reject me not! Forsake me not for you're my God!  
My helper you have always been

Teach me your way, O Lord, and lead me in your path  
I'm not abandoned by you, Lord  
My heart is confident your goodness I will see  
There in the land where all shall live

## **Master Builder**

Lyrics: Pierre Bonnici mssp – Psalm 127

Music: Karm Debattista mssp

Futile is our toil and trouble  
Storing stress, going later to rest  
In vain do we fret and worry  
For it's in God that our efforts are blessed

So if the Lord does not build the house  
The builders shall labour in vain  
And if the Lord does not watch our towns  
It's useless their guard to maintain

What is the sign of God's blessings?  
Our offspring who'll grow in a place  
We grow strong in hope for we know  
In them is the mark of his grace

No use watching, no use toiling  
No use sweating, no use building

## **Blazing Fire**

Lyrics: Pierre Bonnici mssp – Psalm 139

Music: Karm Debattista mssp

There are times I try to flee, to hide from your love  
Down the years and down the ages far from your eyes  
But your gaze reaches to my deepest essence  
Where can I run, can I escape your presence?

Your ways, my God, your paths enthrall me  
Your wisdom and your words, Lord, console me

Lord, you search me; Lord, you show me  
All the dying dreams within me  
Let your Spirit blow upon me  
With your fire my heart inflame  
Lord, you guide me; Lord, you know me  
See your Word glows deep inside me  
Flaming tongues shine all around me –  
Burn away all sin and shame

You have knit me in my mother's womb you formed me  
Even then you knew me to yourself you called me  
All my deeds and all my days spread out before you –  
Let my life, let my love be poured out for you

Here I stand  
(Always) In your hands  
I rest in your embrace
